L&SERSA NEWS

APRIL 2007

The L&SERSA committee and race organisers would like to welcome everyone to another summer of fun races at slopes around the South-East. Races will be held at Bromley, Aldershot, Brentwood Park and Welwyn. For more information see the race bulletin on the website: www.lserasa.org

Many of our skiers have had a successful season on snow at the various races and championships. There are too many to name all of them but a selection are listed below. The website is updated after each race with details of the accomplishments of our racers away on snow.

We would like to say well done to Chemmy Alcott; Louise Thomas; Ed Drake; Franki Simonds; Joe Ogden; Max Moss; Laurie Taylor; Emily Evans; Nicholas Moynihan; Nick Robinson; Eve De Haan; Tom Kirton to name but a few. Also we send our best wishes to Arron Tipping & Charlotte Jesse who both suffered injury earlier in the season but who are starting to recover now.

FREESTYLE: At the first event at Bromley, weather and time permitting, we hope to have a demonstration from the local freestyle team. This is a part of a drive to show that other disciplines are available to our athletes within the region and maybe they would like to have a go. Bromley Freestyle Club meet regularly on a Tuesday evening and are always pleased to welcome newcomers.

The Winter Sports Awards presentation will take place at the National Hockey Stadium in Milton Keynes on 12th May 2007. Awards will include "Child of the Year", "Coach of the Year" and "Club of the Year" plus others.

2 Club National Events run by L&SERSA Clubs

Keep the weekends of 29th April and 10th June free so that you can support two of our regional clubs who are each taking on the onerous task of running a club national event. The first event run by Bromley Ski Club, next week-end, will be held at Bromley Ski Centre. The second event will be run by Wycombe Phoenix Ski Club at Welwyn Garden City Ski Centre in June.

This will be the first time the new Wycombe Phoenix Ski club will have run a club national event and they will need all the support you can give them.

If this your first time doing a national event you can check out what to do with any of the club or regional officials. The list of races and contact details can be found on

www.britski.org

Race Officials:

Assistance in the form of Race Officials is essential to ensure that L&SERSA races run smoothly. On the entry form individual competitors are asked to indicate if family members can officiate - and we would appreciate it if people could continue to do this. However, in future and to spread the load, we would ask **any Club** who has at least 5 racers competing at any one of the races will be expected to **provide two volunteers**. Clubs will be contacted either prior to the race or if necessary on the actual day. Your cooperation with this new scheme would be greatly appreciated.
