

ENGLISH SCHOOL'S ASSOCIATION

SOUTHERN QUALIFYING RACE

Saturday September 23rd

FINAL BULLETIN

I think the day was enjoyed by all. We were certainly treated to some exciting racing of a very high standard, which looks good for the Final.

The weather was lovely outside and unbelievably cold in the timing hut but this did not affect the enjoyment of the day

I would like to say "Thank you" to all those who gave their help so willingly. Without gate judges, recorders and marshals we would have no race! Thanks also to LSERSA, especially Alan Sandell for providing their tip top equipment without which we would have struggled to get through the day and my personal thanks to Bridget Owen, without whose calm support and emails, my job would be so much more difficult.

Thank you also to the staff of the Bromley Ski Centre.

Finally "Thanks" to everyone - skiers, parents, teachers and friends for making this such a good day.

I hope you all enjoyed yourselves.

Good luck to those who have qualified for the Finals, and commiserations to those who did not make it this year.

Please come back and try again in 2007.

Jenny Robbins
