Officials :

Assistance in the form of Race Officials is essential to ensure that the LSERSA races run smoothly. On the standard entry form individual competitors are asked to indicate if family members can officiate - and we would appreciate it if people could continue to do this. However, in future if we do not receive adequate volunteers via the entry forms **any Club** who has at least 5 racers competing on any one of the races will be expected **to provide two volunteers**. Clubs will be contact either prior to the race or if necessary on the actual day. Your cooperation with this new scheme would be greatly appreciated.

Race entries

The entry fee for each Race is £13.50 but a discounted rate of £55.00 is available if all 5 races are paid for by 18th April 2006.

All Race entries must be sent to the race secretary by 19.00 hours on the Wednesday prior to a race. This is required to ensure there is sufficient time for pre-race organisation and preparation of start lists to get the race underway promptly. Where late entries cannot be avoided then a total cost of £20 for each race entry will be required.

Entries can be made to the race secretary by post, by telephone (leave answer phone message if necessary), or by email and where possible the entry fee should accompany it. If not then the entry fee must be made on the day of the race to validate the entry.
