Doping Control

Competitors should note that the Dope Control Unit may arrive unannounced at any event and will have the complete co-operation of the organisers of this race. There have been a number of recent amendments to the Doping Control Regulations; these changes mainly affect two groups of competitors, those who suffer from asthma and taking asthma medication and those using insulin to treat insulin-dependent diabetes. The result of these new regulations is that any competitor using these drugs must obtain certification in writing from the doctor prescribing them or from the team physician. A form on which to obtain the appropriate certification is available from the SSE Head Office. This certificate must be completed in advance of competition and returned to the SSE Medical Advisor with a SAE for Acknowledgement of Notification to be returned to you. **All competitors should note that this notification is required annually.**

Acceptance

On 7th May 2008 it was recorded that valid entries were received from 152 racers (47 females and 90 males) for the Club National Race and 15 for the Minis Race (7 girls and 8 boys), these included late entries up to deadline. All entries are accepted. Entries from racers with a note by their name on the Start List are provisionally accepted and must see the Race Secretary on race day to validate their entry prior to collecting their bib. Notes are as follows:

R requires proof of registration

F requires the entry form to be signed/amended

P requires payment / payment adjustment of the race entry fee/sign cheque

O other action required

The top 15 females and 15 males entered prior to acceptance of late entries have been drawn for start position and those without seed points have been drawn for start position to run before those with seed points, with the remaining seeded racers placed in reverse seed point order. Those entries accepted after the 2nd May deadline have been placed at the beginning of the respective male/female/mini lists and will therefore race first. **A Start List is attached to this bulletin.**

Late Entries

As the race is not full we will accept late entries by post up to Friday 9th May and on the race day before 9.00am up to a total of 180 racers. Entries accepted after this publication will be added to the start list in order of receipt i.e. will race before seeded and unseeded racers already registered.

Commentator sheets and race bibs

Commentator sheets must be completed and handed in when collecting a race bib. To enable more accurate commentary the commentator sheets will be designated white for males and yellow for females – please complete the correct form. Race bibs must be returned to the Finish Marshall on completion of the third run, and failure to do so will result in a charge of £25 for each missing bib.

Referee's Report Protests

Referee's Reports protests must be made on official forms which will be available at the Race Office. These must be completed and handed in within the set time limit and accompanied by a fee of £25.00.

Racers who do not wish to be photographed by any accredited photographer must notify the race secretary in writing by the end of racer registration on the day of the race.
