Due to fewer entries the teams could be made of 4 racers. Also we have had 100 t-shirts printed so we still have space for more skiers to enter and take a t-shirt away and of course have a go at racing.

We are still accepting entries. To get an entry and further information please go to http://www.edwarddrake.co.uk/files/Download/Ed_Invitational_2010.pdf

A list of competitors so far will be posted on the LSERSA website Wednesday evening 21st July <http://www.lsertsa.org/>

Any level of skier young or senior can enter and enjoy the feeling of racing. It's fantastic. Hope to see you there. E
